

Siddhartha Teja Madipalli

Fresher Graduate

Motivated and passionate fresher with a strong background in Artificial Intelligence and Data Science. Completed multiple ML projects, demonstrating proficiency in developing and implementing cutting-edge algorithms and models. Skilled in data manipulation, statistical analysis, and predictive modeling. Eager to apply knowledge and contribute to innovative AI projects to solve complex real-world problems.

EDUCATION

Bachelor of Technology Ramachandra College of Engineering

2020 - Present

7.53

Courses

- Artificial Intelligence and Data Science

Intermediate Sri Chaitanya

2018 - 2020

9.19

Courses

- MPC

SSC Everest Vidyalaya

2018

9.2

WORK EXPERIENCE

AI/ML Intern Edunet Foundation/APLMS

06/2023 - 07/2023

Data Science and Machine Learning Intern UpSkill Campus

06/2023 - 07/2023

Salesforce Developer SmartBridge

08/2022 - 10/2022

AWS AI/ML Intern EduSkills/AICTE

07/2022 - 09/2022

DS and ML Intern YBI Foundation

08/2022 - 09/2022

SKILLS

Python

Machine Learning

Deep Learning

Data Science

M.S. Office

Github

Communication Skills

Leadership

PERSONAL PROJECTS

Credit Card Fraud Detection

Crop or Weed Detection using YOLO data format

Used Car Price Prediction

Credit Card Fraud Prediction

Thyroid, Cancer and Heart Disease Prediction

Mushroom Classification

Fake News Prediction

CERTIFICATES

Machine Learning Specialization

Python for Data Science, AI & Development

Microsoft Certified: Azure Data Fundamentals

Python Essential Training

Fundamental course in Data Analytics with Python

AWS Academy Graduate - AWS Academy Cloud Foundations,

LANGUAGES

Telugu

Native or Bilingual Proficiency

English

Professional Working Proficiency

INTERESTS

Masters in Artificial Intelligence

Data Science
